NOTICE

Date: 10 April, 2015

Circular No.: 12/ 2014-15

Dear Members/ Residents,
Greetings to All!

I am happy to inform you that like the past years, **Salt Lake City BA Block Residents' Association** will celebrate **BANGLA NABOBARSHO**, the **Bengali New Year (1422)**, on **15 April 2015 (Wednesday)** with the customary fervor and gusto. To make the day memorable, we are organizing a **Cultural Programme** at **Utsarga**, our Community Building, from 9-00 am.

The day is important not just for those whose mother tongue is Bengali, but also for many residents who have made Bengal their home no matter that they come from a different linguistic background.

I earnestly and cordially request all our Members and residents to be present at the Cultural Programme along with their families and friends. It will be great, if you perform and display your talent in songs, dance, recitation...!

Regards and thanks,
Yours sincerely,

Subhendu Kundu
Secretary
